# It fits your life...

# BlueChoice Select

If you want broad major medical benefits and savings of the Blue *Choice* network, it just fits

Try this on for size...a healthcare plan where a \$30 copayment covers doctor office visits, well-child care and more...a plan that lets you select from a wide range of deductibles, to make it easy to tailor a plan to your needs and budget...a plan that lets you present a drug card to have your generic prescriptions filled for a

\$10 copayment. Sound like a good fit so far? How about a plan that does all this and helps you stay healthy by covering preventive care with a well-adult care benefit?

Blue Cross and Blue Shield of Illinois brings you a plan that fits your expectations by giving you the benefits you deserve...at a price that's much lower than what you might expect for a major medical plan. It's called Blue Choice Select, and it offers individual adults, individual children and families a broad range of benefits and savings. Through an agreement with providers in your area who participate in the Blue Choice network, Blue Choice Select can help you save on the cost of your coverage and the cost of covered services. In fact, with Blue Choice Select, you can save as much as 19% over our comparable major medical plan that does not use the Blue Choice contracting provider network!

<sup>1</sup>Blue Choice provides you with access to contracting providers.

## & FAMILIES FROM

# and your budget!

# Blue Choice Value

A smart choice for reliable health insurance coverage at rates to fit your budget

If you're looking for reliable benefits at a lower premium, consider our Blue *Choice* Value plan.

Like Blue *Choice* Select, it offers the money-saving advantages of the Blue *Choice* network and gives you the benefits you deserve — including coverage for hospitalization, doctor office visits, emergency care, outpatient prescription drugs, well-child care and optional maternity care.

Because Blue Choice Value leaves out features such as a doctor office visit copayment and a prescription drug copayment feature, you can enjoy a lower monthly premium. If you're looking for a great combination of benefits at a price that fits your budget, choose Blue Choice Value!

# Blue Choice Select & Blue Choice Value

## THE MAJOR MEDICAL BENEFITS YOU DESERVE AT SURPRISINGLY AFFORDABLE RATES

Both Blue Choice Select and Blue Choice Value provide reliable benefits for doctor office visits, outpatient services, emergency care, prescription drugs, well-child care and more. Plus, both of these health insurance plans help you save money on premiums and the cost of covered services through the Blue Choice contracting provider network. Whether it's coverage for yourself, your children or your whole family, you'll have the reassurance in knowing your health care plan is backed by a company that has served Illinois residents for over 65 years:

Blue Cross and Blue Shield of Illinois.

# \$30 Office Visit Copayment with Blue Choice Select

With Blue *Choice* Select, you pay a \$30 office visit copayment when you use contracting providers. You simply pay your doctor \$30 at the time of your visit and your copayment covers that office visit, as well as those covered services that are billed by your physician on the same day. Well-child care is also \$30 per visit with Blue *Choice* Select.

# Blue Choice Select features preventive care coverage!

The well-adult care benefit offers as much as \$500 in benefits annually and covers an annual physical exam and an annual gynecological exam. It also includes immunizations and certain routine diagnostic tests. You pay a \$30 office visit copayment when you use contracting providers!

## A Choice of Deductibles Helps You Tailor a Plan to Your Budget

Both Blue *Choice* Select and Blue *Choice* Value offer a choice of a \$250, \$500, \$1,000, \$1,750, \$2,500 or \$5,000 deductible. Whatever your budget, we have an option for you.

## 80% Coverage for Most Services

The coverage level (percentage) that Blue *Choice* Select and Blue *Choice* Value pay for covered services after you meet your deductible is called coinsurance. With 80% coinsurance, you pay 20% of your eligible bills until you've paid \$3,000 (after you've met your deductible, and when you use contracting providers). At that point, both Blue *Choice* Select and Blue *Choice* Value go on to pay 100% of these services for the remainder of the calendar year.

# The Security of \$5,000,000 in Lifetime Protection for Yourself, Your Children or Your Whole Family

With Blue *Choice* Select and Blue *Choice* Value, individual adults, individual children and families may apply for coverage. Family coverage protects you, your spouse and your eligible dependent children under age 19 (age 25 if a single, full-time student). Each person will be eligible for \$5,000,000 in lifetime benefits. That's substantial protection for today and the years ahead.

## Prescription Drug Coverage, Including Generic Prescriptions for a \$10 Copayment with BlueChoice Select

With both plans, you get coverage for outpatient prescription medications.

# When you choose a \$250 or \$500 deductible with Blue Choice Select:

Simply present your prescription drug card at participating pharmacies and pay a \$10 copayment for generic prescriptions. Pay 35% for name-brand formulary drugs, insulin and insulin syringes and 50% for name-brand non-formulary medications. You can even take advantage of a program that offers convenient home delivery for maintenance drugs.

# When you choose a \$1,000, \$1,750, \$2,500 or \$5,000 deductible with Blue*Choice* Select or any deductible with Blue*Choice* Value:

Outpatient prescription drugs are covered at 80% after you've met your deductible. Your claim will be automatically processed when you purchase your prescription drugs at any one of the participating pharmacies in Illinois — that's 98% of Illinois pharmacies!

### The Blue Choice Network Saves You Money!

Our Blue Choice Select and Blue Choice Value health insurance plans give you access to the Blue Choice network of contracting providers, including hospitals, physicians and specialists close to your home. Our agreements with these contracting providers allow you to save on premiums — as much as 19% over our comparable major medical plans! But that's not all. You'll also save on the cost of covered services when you use these contracting providers.

Your benefits are paid at the highest level when you receive care from a Blue *Choice* network contracting provider. You do not need to select a primary care physician to coordinate care and you don't need a referral to see a specialist. You can receive care from a provider outside the network, but your benefits will be paid at a lower level and your out-of-pocket cost will be significantly higher.

The Blue *Choice* hospital network was created based on geographic accessibility, the number of board-certified physicians on staff and status with the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Count on Blue *Choice* Select and Blue *Choice* Value to give you savings, a broad range of benefits and the flexibility you want in making your care choices.

To view a listing of Blue Choice network doctors, specialists and hospitals, visit www.bcbsil.com.

# Travel with Confidence — You're Covered Away from Home

As a member of Blue Cross and Blue Shield of Illinois, you'll have access to a program called BlueCard PPO. This is a nationwide network of participating providers that allows you to receive benefits for covered services when you travel. Simply present your Blue Cross and Blue Shield of Illinois ID card to a participating BlueCard PPO provider wherever you are.

## No Paperwork — Your Claims Are Handled for You

In most cases, all you have to do is show your Blue Cross and Blue Shield ID card at a doctor's office or hospital, and your claim will be filed for you.

### **Guaranteed Renewability**

As long as your premiums are paid on time, your coverage can be nonrenewed only for the following reasons: (1) fraud or an intentional material misrepresentation, or (2) all policies bearing your policy's form number are non-renewed.

### Financial Stability You Can Count On

Today one American in three carries a Blue Cross and Blue Shield membership card. In fact, over four million residents across Illinois *Carry the Caring Card*\*. Blue Cross and Blue Shield of Illinois wants to make sure you get the maximum coverage and the most appropriate care. That's why our health insurance plans include the services of two units of health professionals. They're called the Mental Health Unit and the Medical Services Advisory (MSA\*). By calling one of these units whenever you need mental health and substance abuse services, or if you find yourself receiving treatment at an out-of-network hospital, you're assured of maximum benefits and the very best health care.

If Policyholder does not notify MSA, Hospital benefits are reduced by \$1,000.*			

**Mental Health Unit** In order to maximize your benefits, the Policyholder is responsible for notifying the Mental Health Unit for ALL care related to mental health and substance abuse. In the event of an admission, for either mental illness or substance abuse, notification is required three days prior for non-emergencies and within 24 hours or as soon as reasonably possible for emergencies. Failure to contact the Mental Health Unit may result in a reduction of benefits of up to \$1,000.\*

Benefits for covered services are provided at either the Eligible Charge or the Maximum Allowance. Consult the Policy for definitions and your financial responsibility.

<sup>★</sup> Does not apply to out-of-pocket expense limit.

<sup>†</sup> Deductible does not apply.

#### IF USING A NON-PLAN PROVIDER...

A \$300 per Hospital admission Deductible will apply.\* If using a Non-Plan Provider, benefits are reduced to 50%. However, Outpatient Hospital emergency care is paid at 80% after you pay a \$75 copayment, regardless of your coverage level or whether services were received from an In-Network, Out-of-Network or Non-Plan Provider.

**PRE-EXISTING CONDITIONS LIMITATION** Pre-existing Conditions are those health conditions which were diagnosed or treated by a Provider during the 12 months prior to the coverage effective date, or for which symptoms existed which would cause an ordinarily prudent person to seek diagnosis or treatment. Any Pre-existing Condition will be subject to a waiting period of 365 days.

**PREMIUMS** We may change premium rates only if we do so on a class basis for all DB-47 HCSC policies. Premiums can be changed based on age, sex, and rating area.

**GUARANTEED RENEWABILITY** Coverage under this Policy will be terminated for non-payment of premium. Blue Cross and Blue Shield can refuse to renew this Policy only for the following reasons:

- A. If all Policies bearing form number DB-47 HCSC are not renewed, written notice will be provided at least 90 days before coverage is discontinued. Furthermore, you may convert to any other individual policy Blue Cross and Blue Shield offers to the individual market.
- B. In the event of fraud or an intentional misrepresentation of material fact under the terms of the coverage, written notice will be given at least 30 days before coverage is discontinued.

I also authorize the release of information relating to mental illness. In addition, I authorize the Company to review and research its own records for information.

I understand my authorization is voluntary and that such information will be used by the Company for the purpose of evaluating my application for health insurance. Further, I understand that my authorization is required for the Company to consider my application and to determine whether or not an offer of coverage will be made. I understand that I or any authorized representative will receive a copy of this authorization upon request. This authorization is valid from the date signed and, provided the Company approves coverage, until a policy is put in force unless revoked by me in writing, which I may do at any time. Any revocation will not affect the activities of the Company prior to the date such revocation is received by the Company.

#### NOTICE TO APPLICANT

# Regarding Replacement of Health Insurance

According to information you have furnished, you intend to lapse or otherwise terminate existing health insurance and replace it with a policy to be issued by Health Care Service Corporation. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

- 1. Health conditions which you may presently have, which may be referred to in the policy as pre-existing conditions, may not be immediately or fully covered under this new policy. This could result in denial or delay of a claim for benefits under this new policy, whereas a similar claim might have been payable under your present policy.
- 2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
- 3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. FAILURE TO INCLUDE ALL MATERIAL MEDICAL INFORMATION ON AN APPLICATION MAY PROVIDE A BASIS FOR THE COMPANY TO DENY CLAIMS AND TO REFUND YOUR PREMIUM AS THOUGH YOUR POLICY HAD NEVER BEEN IN FORCE. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

OB1935 Rev. 7/94

**NOTE TO PRODUCER:** An applicant who is replacing existing health insurance with Blue Cross and Blue Shield coverage must read, sign, and date the blue replacement form at right. You must then submit that replacement form along with the application. This form must remain with the applicant.
