7 Tell us about your past and current coverage

Please review the statements below, then answer all questions to the best of your knowledge.

- You do not need more than one Medicare Supplement insurance policy.
- You may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in, a Medicare supplement policy by reason of disability, and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs, and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

For your protection, you are required to answer all the questions below (7A through 7L) and sign in the signature box on the next page.

7A. Are you covered for medical assistance through the state Medicaid program? (Medicaid is a state-run health care program that helps with medical costs for people with low or limited income. It is not the Federal Medicare Program.)

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE UNITEDHEALTHCARE INSURANCE COMPANY

Horsham, Pennsylvania

Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement To Appplicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

 Additional benefits. No change in benefits, but lower premiums. Fewer benefits and lower premiums My plan has outpatient prescription drug coverage and I am enrolling in Part D. Health conditions which you may presently have (Pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been 	Disenrollment from a Medicare Advantage plan. Please explain reason for Disenrollment. Other (Please Specify) the extent such time was spent (depleted) under the original policy. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.					
payable under your present policy. 2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods.
