## Provider Directory

**NOTICE TO ENROLLEES:** Providers who have contracted with Blue Precision HMO are not the employees or agents of Blue Precision HMO from Blue Cross and Blue Shield of Illinois. Blue Precision does not contract with individual physicians, but, rather, with medical groups who contract with, employ, and are owned by the physicians.

Not every Primary Care Physician/Woman's Principal Health Care Provider listed may be accepting new patients. For the most current information, contact either the selected physician or selected medical group at the telephone number listed.

Please do not just look at the listing; make an informed choice. You are encouraged to check the provider information and get references and recommendations from friends and family. This provider lookup gives you some self-reported information about the participating physicians, such as schooling, residency, board certification, second languages and office locations. Please call the medical group or other sources and find out more about the provider.
