¹ This high deductible plan pays the same benefits as Plan F after one has paid a calendar-year \$2,300 deductible. Benefits from High Deductible Plan F will not begin until out-of-pocket expenses are \$2,300. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. This includes the Medicare deductibles for Part A and Part B, but does not include the plan's separate foreign travel emergency deductible.

² Medicare Select Plans require that you use Blue Cross and Blue Shield of Illinois contracting Medicare Select hospitals for non-emergency admissions to receive coverage for the Medicare Part A deductible. In an emergency, the \$1,364 deductible is covered at any hospital from which you receive care. Only certain hospitals are network providers under this policy. Check with your physician to determine if he or she has admitting privileges at the network hospital. If he or she does not, you may be required to use another physician at time of hospitalization or you will be required to pay for all expenses. If an insured moves out of the service area, there will be a reduction of benefit coverage and they will have the opportunity to purchase any Medicare Supplement policy with comparable or lesser benefits offered by the insurer, or Medicare Supplement/Select plans A, B, C, F, K, or L from any insurer within 63 days of termination.

For Agent training only, not intended for marketing/sales activities. Product information subject to change.
