| Important Questions  | Answers   | Why This Matters:  |
|--|---|--|
| What is the overall deductible?                                      | \$0. Out-of-Network: Individual \$14,000 / Family \$28,000.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your deductible?          | No.   | You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services.  |
| Are there other deductibles for specific services?                   | Yes. For <u>prescription drug</u> expenses - In- <u>Network</u> : Individual \$4,495 / Family \$8,990. Does not apply to in- <u>network</u> for preferred generic drugs. There are no other specific <u>deductibles</u> . | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | In- <u>Network</u> : Individual \$9,400 / Family \$18,800. Out-of-Network: Individual Unlimited / Family Unlimited.   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> <u>limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Premiums, balance-billing charges, penalties for failure to obtain pre-authorization for services, and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See https://aet.na/providersearch_aetna or call 1-844-365-7373 for a list of in-network providers.   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |
